

Registering your iPod touch/iPad that you received from The Conover Company

If you received an iPod touch or an iPad from The Conover Company, you must register the device through your own iTunes account before you can purchase music, book and apps from the iTunes store. To register your device, download a copy of iTunes from www.apple.com

Once you have iTunes installed, connect your device to your computer. The following screen will appear.

Click the Continue button. Follow the onscreen instructions on how to register your device. If you do not have an iTunes account, you will be prompted to create one.

Once you register the device, our preloaded content will be erased. Apple forces the device to be erased before you can start loading your own media and apps. We included a set of replacement DVDs just for this purpose. Insert the DVD into your drive and follow the instructions that were included reload our videos onto your device.
